

Child Friendly School Development Plan 2025-27

St. Mary's PS. Rathlin

Community Links

- We will continue to work alongside local projects like Liferaft and Future Island to improve island life.
- We will do more things with schools on the mainland.
- We will link with more island schools in Ireland and abroad.

ICT

- We will become more confident coders.
- We will fully understand what e-safety means.
- We will look at our new ICT curriculum and see how we can improve it.

Literacy

- We will become more independent readers by reading more for enjoyment.
- We will develop our handwriting skills.
- We will work on becoming confident speakers.

Numeracy

- We will continue to work on rapid mental recall using TT Rockstars to help us learn our timestables.
- We will become better at explaining our calculations.
- We will use physical resources when we need to help us in Numeracy.

PDMU

- We will understand the importance of a 'growth Mindset'.
- We will continue to participate in projects to increase our self- esteem and resilience e.g FLM.

Our Roles

- We will continue to encourage to participate in different roles throughout the school year.
- We will actively take part in school decisions.

Religion

- We will use the 'Grow in Love,' scheme.
- We will continue to develop our links with our local parish.
- We will look at other world religions.

Our Ethos

- We look at becoming a forest school and using our garden more regularly.
- We will understand why it so important to attend school regularly.

PE

- We will have the opportunity to lead a healthy lifestyle and develop their fitness by taking part in a variety of activities including athletics, dance, gymnastics, soccer and Gaelic games

WAU

- We will participate in exciting lessons that include history, geography and science.
- We will complete a science investigation for each topic to develop our scientific skills.
