

Helpful Websites and Apps to support with being Creative!

Paint on Microsoft – you may have this on the computer you are using at home.

Drawing With Carl APP – (Costs £1.99 but worth every penny) - We love using this in school to draw pictures.

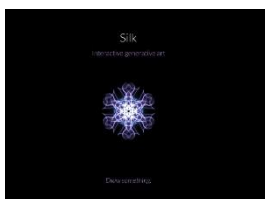

ChatterPix Kids APP (Free) –to bring simple objects to life by drawing a move and recording your voice. Hours of fun...how creative can you be? Can you use this to test your knowledge? E.g. Voice a 2D/3D shape with properties.

Photospeak: 3D Talking Photo APP (Free)– Can you bring a character from history to life, an animal who talks about their habitat? I know P6/7 have used this APP so they may enjoy doing some topic work with this at home.

iMovie APP – should already be on apple devices – Use iMovie to create simple videos/animations

Green Screen by Do Ink APP – (£4.99 – but could keep them busy for a while – particularly P4-7) Use Green Screen to create simple videos/animations

Weave Silk – (Website) – Could help to explore symmetry also - <http://weavesilk.com/>

PicCollage APP (Free) – Use PicCollage to create simple posters incorporating pictures/text etc.

Popplet APP (Free – Possibly only on apple devices) – A brainstorming APP

Book Creator APP – (£4.99 – there is a free version that allows you to make one book)

Have you used any of these? Can you email your teacher your work...they would **LOVE** to see it? ☺

Helpful Websites and Apps to support with... Learning about your topics and Science!

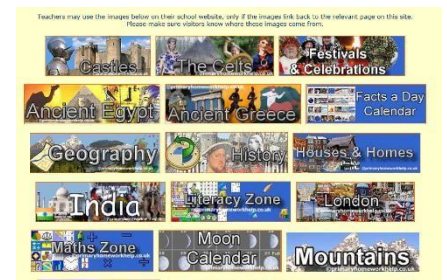

Explorify – Lots of Science activities -
<https://explorify.wellcome.ac.uk/> - You'll need to sign up but it's all free!

Primary Homework Help – lots of information on a range of topics if you're doing some research at home. -

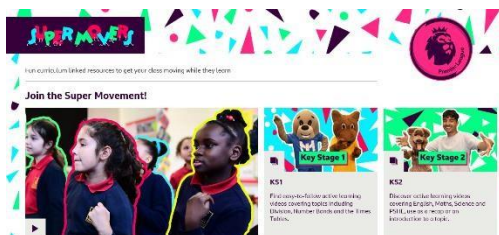

<http://www.primaryhomeworkhelp.co.uk/>

and check out our school website About Us → Curriculum → World Around Us where our WAU leader has put lots of links to different websites to help with your topic work. ☺
