Thought for the Month:

"What good is the warmth of summer, without the cold of winter to give it sweetness." — John Steinbeck

End of year message

As the school year comes to a close, I want to express my heartfelt gratitude to our dedicated students, school staff, and supportive parents for their commitment. This year has been filled with challenges, but together, we've overcome them with resilience and determination. I'm incredibly proud of each and every one of you for your hard work, creativity, and kindness. Let's celebrate our achievements and look forward to a bright future ahead. Wishing you all a joyful and rejuvenating summer break!

Return to school date

All pupils return to school on Friday 30th August when we will have a well-being day. The theme of the day will be 'Anchor and Connect'. Pupils can wear their own clothes on that day.

Rathlin Values

As the school year ends and we celebrate our achievements, let's re-visit the values that we have developed this year— our RATHLIN values:

OUR VALUES

Resilience
We can cope when things go wrong. We deal with challenges and learn from our mistakes.

Attitude
We have a positive attitude towards learning and towards all aspects of school life.

Teamwork
We work and play constructively with each other and we learn to listen well to others and understand and respect different points of view.

Helpfulness
We are kind, gentle and have empathy with others. We show respect for one another and help each other through the difficult times we face.

Laughter
We embrace the good times and laugh with each other. We know that laughter is a central part of our wellbeing.

Independence
We always do our best and make the most of our time. We make our own decisions and take responsibility for our choices.

Nurturing
We try to live our lives following the example of Jesus. We value the gifts and talents that God has given each of us and we seek to nurture these gifts in ourselves and in each other.
