Dear Parents,

A few updates for your calendar in the month of April.

Wednesday 5th April : Children will be visiting the RSPB centre this morning and will only need a snack today (no yoghurts) as school will close at 11.45 am for the Easter holidays.

School reopens for the summer term on **Monday 17th April** and we will be having a « Mindful Monday » to kick start the week.

Children should wear casual clothing for this day as we will be having lots of activities such as a Quiz about Rathlin, trip to the beach, exercises etc.

Primary 3 children will be staying until 3 pm from the 17th April.

Can parents/children please ensure that laptops are fully charged when bringing them into school for ICT and that their names and passwords are kept in their cases to avoid mix ups ! All passwords have now been updated. After Easter we will be providing parents with a parental guide on Teams.

We have been sent a Coronation certificate for the 8th May and if parents would like their child to have one then please e mail the school and we will order them.

After Easter Mr Mc Guigan will be commencing hurling and camogie. If your child has a helmet or hurl which they can use for these sessions could you please let us know.

The school is one of eleven schools taking part of the Glens Healthy Places 2 Project through Fresh Little Minds. We aim to begin the next part of the project after Easter and will give out more details when we return to school in the week beginning 17th April.

Hope everyone has a very enjoyable Easter and looking forward to the Summer term.

Regards
